# The Coming Glory

From The Coming Glory

March 19, 2023

1. How do you know what is the right decision to make in life?
2. How do you know what is the right thing to do every time?
3. Can you be right all the time?
4. Is it possible to always make the correct decision?
5. Is it possible to always know the right thing to do?
6. Is it possible to never fail again?
7. Is it possible to minimize regrets and cancel the chances of failure?
8. Is there a standard criteria by which we can measure the quality of our decisions in life?
9. Is there something we can use as a reference in life that we can always have available to know whether we are in or off course?
