Spiritual Dreams

*Job 33:14-18* For God speaketh once, yea twice, yet man perceiveth it not. In a dream, in a vision of the night, when deep sleep falleth upon men, in slumberings upon the bed; (*v. 16*) then he openeth the ears of men, and sealeth their instructions, that he may withdraw man from his purpose, and hide pride from man. He keepeth back his soul from the pit, and his life from perishing by the sword.
